

# Pen Pals® Poultry Scratch Block

(70741AAA6A)

A supplement for adult poultry and game birds

Performance-focused Pen Pals poultry products provide wholesome, natural-sourced, unique ingredients to support wholesome, healthy birds. Pen Pals Poultry Scratch Block is designed to be fed free-choice as a supplement to the ration for adult broilers, layers, and game birds. It is ideal for supplementing the diet of confined, adult birds.

## Product Description

Pen Pals Poultry Scratch Block is designed to be fed free-choice as a supplement to the ration for adult broilers, layers, and game birds. It is ideal for supplementing the diet of confined, adult birds.

### Features

Block form, free-choice feeding

High-quality grains

No animal or animal by-products

Balanced minerals

Vitamins

### Benefits

Facilitates natural feeding and pecking behavior, helping alleviate boredom in confined birds by keeping birds active; block form entices more active, natural behavior of birds; and free-choice offering enables all birds access to the block.

Wholesome source of energy to fuel production of meat and eggs.

Appeals to poultry enthusiasts who prefer to raise chickens without the use of animal-sourced ingredients.

Ensures ratio of minerals is balanced for optimum production and health.

Supplies vitamins A, D, and E, plus B-complex vitamins needed for many metabolic functions, growth, production, and health.

## Feeding Directions

Provide free access to poultry and game bird as a supplement to the ration. Consumption will vary and is regulated by availability of natural scratch..
