

Pen Pals® PRIME™

(70757AAA)

For Growing and Adult Poultry Not in Production and Pigeons

Performance-focused Pen Pals poultry products provide wholesome, natural-sourced, unique ingredients to support wholesome, healthy birds. Pen Pals PRIME is a texturized, complete ration for growing and adult poultry not in production and pigeons. It can also be fed as a scratch grain or treat to all classes of birds.

Product Description

Pen Pals PRIME is a 17% protein, 5% fat, complete feed that is formulated for growing and adult poultry not in production. It contains high-quality grains, legumes, and protein sources and is fortified with vitamins and minerals to support efficient growth.

Features

- High-quality protein
- Fish and animal protein sources
- Mineral and vitamin fortification
- CitriStim®
- Phytase
- Texturized form

Benefits

- Provides essential amino acids to encourage growth and production.
- Enhances protein quality and digestibility.
- Provides nutrients necessary for optimum growth and nutrients essential for a properly functioning immune system, which is vital to good health.
- An ADM proprietary feed ingredient that is a proven, truly unique whole-cell inactivated yeast which may help strengthen the bodies defense against various challenges by supporting and optimizing gut function, gut integrity, and body defense responses.
- Effective in increasing utilization of phosphorus from plant sources which reduces amount of supplemental phosphorus needed in the ration and reduces excretion of phosphorus into the environment.
- Contains whole grains, peas, lentils, sunflower seeds and oyster shells.

Packaging - Form

50-lb bag - Texturized

Guaranteed Analysis

Crude Protein, Min.	17.0%
Lysine, Min.	0.95%
Methionine, Min.	0.4%
Crude Fat, Min.	5.0%
Crude Fiber, Max.	11.0%
Calcium (Ca), Min ...1.2% Max.	1.7%
Phosphorus (P), Min.	0.4%
Salt (NaCl), Min0.3% Max.	0.8%
Vitamin A, Min	6,000 IU per pound

Feeding Directions

Feed Pen Pals® PRIME continuously as the sole ration to growing and adult poultry not in layer or meat production and as the sole ration to pigeons. When fed as a scratch grain or treat to birds in production, do not exceed more than 10% of the diet for layers in addition to a complete feed (for example Pen Pals Egg Maker Complete). Provide clean, fresh water at all times.
