ADM Animal Nutrition is proud to support youth exhibitors who participate in the Livestock Awards Program for exhibitors involved in FFA and 4-H.

Eligibility

1. Exhibitors must have fed their livestock qualifying ADM Animal Nutrition products for at least 90 days prior to show. **To be eligible for a gold award, exhibitors must have fed ShowTec complete feeds for a minimum of 90 days. If exhibitor fed top-dresses only, then the exhibitor qualifies at the silver award level.**

Breed and Reserve Breed Champions at the highlighted shows (see shows listed in all caps) also qualify for gold awards. Grand or Reserve Grand Champions at county or district shows will receive a silver award.
3. If breed champions advance to win Grand or Reserve Grand Overall at one of the qualifying state or national junior shows (not an open show), the exhibitor qualifies for a gold award. One award per animal per show.
4. Awards apply to youth market and breeding classes for steers, lambs, goats and hogs only. Open Shows will qualify at the silver award level.
5. If a professional photographer has been retained to take winner photos at the show, you must provide the photographer's name/phone no. and the image no. of your photo on the application. Your picture may be used in ShowTec marketing materials such as ads, website, social media, tradeshow displays, etc.
6. Proof of feed purchases may be required.
7. Eligibility is based on livestock project being associated with a youth or junior show. Boars and bulls do not qualify. Rams and billies qualify at youth and junior shows only. Jackpot and prospect shows do not qualify.
