

PROOF OF PERFORMANCE

WALLACE CATTLE CO.

A family owned Angus, Red Angus and Simmental operation located in southwest Missouri.

PRODUCTS USED

MasterGain® Cool-Aid™

“We saw cattle grazing longer in the mornings and coming out to graze earlier in the afternoon. We noticed a visual difference in the number of flies and ticks on the cattle. Consumption was spot on at 4 ounces per cow per day.”*

Ernie and Tammy Wallace

March 2020 *Fly control options available.
