

Inside Tract™

A supplement in pellet form for equine of all ages and performance levels

Product Number: 81814AAA78

Inside Tract is a unique supplement in pellet form designed for equine. It provides nutritional support for gastrointestinal health. It contains ingredients approved for equine feed that are recognized to help support and maintain a positive gastrointestinal environment and provides nutritional support needed during health challenges.

Features

Benefits

Cell Rate®	Contains nucleotides, which support the maintenance, growth, and repair of body cells.
CitriStim®	An ADM proprietary feed ingredient that may favorably impact the gut microbial population.
PremiDex™	Exerts beneficial change in gut microflora.
PrimaLac®*	A direct fed microbial product encompassing four microbials that enable more efficient metabolism of nutrients from the foregut, resulting in better nutrient utilization of the entire ration.
Prospense® yeast	Studies have shown yeast enhances feed palatability, digestibility, and hindgut fermentation
Added natural-source vitamin E	Vitamin E protects body tissues from oxidative damages. In this way, vitamin E is vital for protection during health challenges, and may be especially important for active horses as they are more prone to exercise-induced muscle damage. Research shows that natural-source vitamin E is more bio-available than synthetic vitamin E.
Essential vitamins	Ensures animals receive critical nutrients needed to maintain health, structure, and vitality.
Highly palatable	Horses will readily consume product.
Pellet Form	Easy to top-dress on feed.

*Not a trademark of ADM.

Product Form/Packaging

Pellet form; 10-lb pail (81814AAA78)

Guaranteed Analysis

Crude Protein	(Min) 16.00 %
Crude Fat	(Min) 2.00 %
Crude Fiber	(Max) 25.00 %
Acid Detergent Fiber	(Max) 31.00 %
Neutral Detergent Fiber	(Max) 45.00 %
Calcium (Min) 0.5	(Max) 1.00 %
Phosphorus	(Min) 0.40 %
Vitamin A	(Min) 5,000 IU/lb
Vitamin E	(Min) 200 IU/lb
Lactobacillus acidophilus	(Min) 367,000,000 CFU/lb
Lactobacillus casei	(Min) 367,000,000 CFU/lb
Bifidobacterium thermophilum	(Min) 367,000,000 CFU/lb
Enterococcus faecium	(Min) 367,000,000 CFU/lb

Contains a source of live (viable) naturally occurring microorganisms

Ingredients

Soybean Hulls, Wheat Middlings, Brewers Dried Yeast, Maltodextrins, Yeast Extract, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Bifidobacterium thermophilum Fermentation Product, Dried Enterococcus faecium Fermentation Product, Extracted Citric Acid Presscake, Cane Molasses, Magnesium Carbonate, Sodium Propionate (A Preservative), Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Menadione Sodium Bisulfite Complex, Riboflavin Supplement, Niacin Supplement, Calcium Pantothenate, Thiamine Mononitrate, Vitamin B12 Supplement, Biotin, Pyridoxine Hydrochloride, Folic Acid, Natural and Artificial Flavors.

Feeding Directions

Feed two scoops per head daily to deliver 0.33 lb either top-dressed or mixed with other feeds. Scoop included holds approximately 0.16 lb. Inside Tract is **not a complete feed**; therefore, additional feed should be provided to meet the animal's nutrient requirements. Provide clean, palatable water at all times.
