

Pen Pals® Select Layer

(81947AAA)

A Complete Textured Feed for Laying Hens

Performance-focused Pen Pals poultry products provide wholesome, natural-sourced, unique ingredients to support wholesome, healthy birds. Pen Pals Select Layer is a texturized, complete ration for laying hens.

Product Description

Pen Pals Select Layer is a 17% protein, 4% fat, non-medicated, complete feed that is formulated for laying hens. It contains high-quality grains, legumes, and protein sources and is fortified with vitamins and minerals to encourage maximum egg production.

Features

Multiple high-quality protein sources

Mineral and vitamin fortification

Empirical® NSP Enzyme

Peas and lentils

CitriStim®

Probiotic

Marigold extract

Natural-source vitamin E

Phytase

Texturized form

Benefits

Provides the necessary essential amino acids to support egg production and overall performance.

Provides nutrients necessary for egg production and overall health while helping support immune function.

A multi-enzyme, non-starch polysaccharide (NSP) that helps enable poultry to better utilize fibrous ration components by improving digestibility and availability of sugars from NSPs (better energy utilization of ration components), allowing more energy to become available for production purposes.

Naturally high in essential amino acids.

An ADM proprietary feed ingredient that is a proven, truly unique whole-cell inactivated yeast which may help strengthen the body's defense against various challenges by supporting and optimizing gut function, gut integrity, and body defense responses.

Delivers four direct-fed microbials that enable more efficient metabolism of nutrients resulting in better nutrient utilization of the entire ration.

Natural pigment used for deep skin, shank, beak, and yolk enhancement; also contains compounds with vitamin A activity.

Support immune system function; research shows natural-source vitamin E is more bioavailable compared with synthetic vitamin E.

Effective in increasing utilization of phosphorus from plant sources which reduces amount of supplemental phosphorus needed in the ration and reduces excretion of phosphorus into the environment.

Contains whole grains, peas, lentils, sunflower seeds and oyster shells.

Packaging - Form
50-lb bag, 25-lb bag - Texturized

Guaranteed Analysis	
Crude Protein, Min.	17.0%
Lysine, Min.	0.8%
Methionine, Min.	0.35%
Crude Fat, Min.	4.0%
Crude Fiber, Max.	11.0%
Calcium (Ca), Min3.5% Max.	4.5%
Phosphorus (P), Min.	0.5%
Salt (NaCl), Min.0.2% Max.	0.7%
Vitamin A, Min.	6,000 IU/lb

Feeding Directions
Feed continuously as the sole ration to laying hens. Provide clean, fresh water at all times.

Ingredients
Peas, Calcium Carbonate, Sorghum, Whole, Yellow Peas, Sunflower Seed, Oyster Shell, Crimped Barley, Whole Red Lentils, Roasted Whole Soybeans, Vegetable Oil, Safflower Seeds, Maple Peas, Cane Molasses, Glycerin, Natural and Artificial Flavors, Monocalcium Phosphate, Salt, Ground Corn, Lignin Sulfate, Condensed Soybean Solubles, Propionic Acid (a preservative), Dehydrated Alfalfa Meal, DL-Methionine, Manganous Oxide, Manganese Sulfate, Zinc Oxide, Zinc Sulfate, Copper Sulfate, Calcium Iodate, Ferrous Sulfate, Extracted Citric Acid Presscake, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Menadione Sodium Bisulfite Complex, Riboflavin Supplement, Niacin Supplement, Calcium Pantothenate, Thiamine Mononitrate, Vitamin B12 Supplement, Biotin, Pyridoxine Hydrochloride, Folic Acid, Propionic Acid (A Preservative), Choline Chloride, Iron Oxide, Calcium Propionate (A Preservative), Sodium Selenite, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Bifidobacterium thermophilum Fermentation Product, Dried Enterococcus faecium Fermentation Product, L-Lysine, Brewers Dried Yeast, Canola Meal, Marigold Extract, Dehydrated Pichia Pastoris Fermentation Extract, d-alpha Tocopheryl Acetate.
