

FORAGE FIRST
EQUINE NUTRITION

**Inside
Tract™**

NUTRITIONAL
SUPPORT
FOR
HINDGUT HEALTH

Provides nutritional support for gastrointestinal health. Contains ingredients approved for equine feed that are recognized to help support and maintain a positive gastrointestinal environment and provides nutritional support needed during health challenges.

- Includes essential vitamins and microbials to help enhance digestive and defense responses.
- Cell Rate® is known to be a source of nucleotides. Nucleotides, the building blocks of RNA and DNA, are required for cell replication involved in maintenance, growth, and repair of body cells.
- CitriStim® may help the animal strengthen its defense against health challenges by supporting and optimizing gut function, gut integrity, and body defense responses.

A supplement in pellet form for equine of all ages and performance levels. Inside Tract™ provides nutritional support for gastrointestinal health. It contains ingredients approved for equine feed that are recognized to help support and maintain a positive gastrointestinal environment.
