

COMMERCIAL SWINE BREEDING HERD PRODUCTS

Parity Plus® breeding herd products are designed to provide specific nutrients needed for superior reproductive performance in high producing breeding herds. Products are formulated to optimize skeletal strength and sustain milk production, which has a beneficial impact on weaning weights, sow durability, and lifetime reproductive performance.

Parity Plus Sow 75 (No. 12358)

This vitamin-mineral premix is specifically formulated for high performance breeding herds to maximize lifetime sow productivity.

- Balanced vitamins and minerals to ensure maximum reproductive performance
- Enables producers to have more flexibility in the use of grains and soybean meal; can also be used in diets with DDGS
- Simplifies mixing and ensures mixing uniformity of micro ingredients

Ingredient	Breeding Gilts	Gestation	Lactation	Breeding Gilts	Gestation	Lactation
Corn, lb	1697	1724	1460	1590	1645	1255
Soybean Meal (46.5%), lb	235	195	450	350	280	670
Parity Plus Sow 75, lb	60	75	75	60	75	75
Amino Acid Balancer Pack #12147, lb	8	6	15	0	0	0
Total, lb	2000	2000	2000	2000	2000	2000

Parity Plus Sow Boost 25 (No. 10042)

This vitamin-mineral premix is specifically formulated to be used in conjunction with Animal Nutrition grow-finish premixes and concentrates.

- Enables the use of Animal Nutrition grow-finish premixes or concentrates for the breeding herd by providing the extra vitamin and mineral fortification needed
- Eliminates the need to purchase, inventory, and mix additional ingredients needed for the breeding herd
- Granular form easily mixes into grind and mix rations

Parity Plus Mintrate® (No. 10039)

This protein-vitamin-mineral supplement is specifically formulated to meet the nutrient requirements for high producing breeding herds.

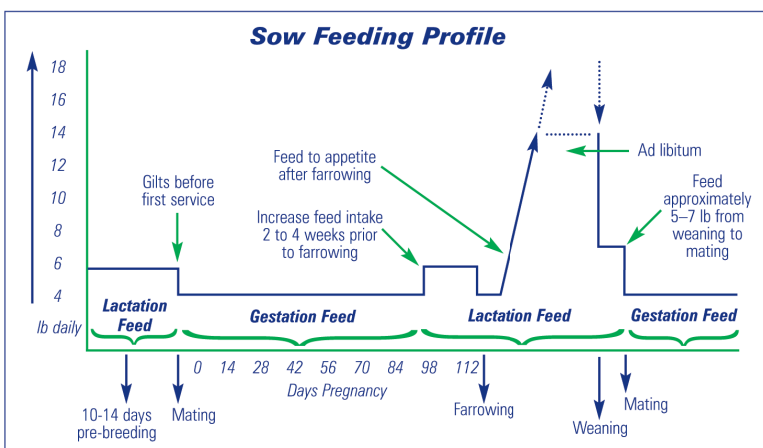

- Amino acid amounts and ratios are targeted to meet genetic and reproductive needs for high producing herds
- No additional protein, vitamins, or minerals are needed
- Meal form option for use in grind and mix diets
- Pellet form option makes hand-feeding with grain easy and convenient

Ingredient	Breeding Gilts	Gestation	Lactation	Adult Boar
Corn, lb	1600	1700	1500	1550
Parity Plus Mintrate, lb	400	300	500	450
Total, lb	2000	2000	2000	2000

Parity Plus Mintrate® Cubes (No. 10040)

A cubed protein-vitamin-mineral supplement specifically designed to address the nutrient requirements of high producing breeding swine.

- Amino acid amounts and ratios are targeted to meet genetic and reproductive needs for high producing herds
- No additional protein, vitamins, or minerals are needed
- Cube form makes hand-feeding with grain easy and convenient
- Feed 1 part Parity Plus Mintrate Cubes to 3 parts of grain (refer to feeding directions on the label)
