• 15.5% crude protein, 3% fat, 10% fiber
• Highly palatable with optimal levels of multiple protein sources that assures proper growth in show lambs
• Contains CitriStim, Prospense yeast, and direct fed microbial
• Provides the correct amounts and ratios of major and trace minerals along with vitamins A, D, E, and B-complex
• Contains ammonium chloride
• No added copper
• Medicated with decoquinate (Deccox)
• Premium texturized quality for more efficient feeding
Feed 15.5 Lamb DC at the rate of 3 lb per 100 lb of body weight daily.

MoorMan’s ShowTec® Lamb Creep DC 11317AM

A nutritionally balanced base ration for wethers and ewes being fitted for show
When fed in conjunction with #1 Mineral Supplement, this texturized ration will assure peak growth performance of young, show lambs.
• 18% crude protein, 2.5% fat, 4.5% fiber (No. 11317AM provides 2.7% fat)
• Highly palatable with optimal levels of multiple protein sources that deliver optimal, efficient growth in show lambs
• Contains CitriStim, direct fed microbial, and added molybdeum
• Provides the correct amounts and ratios of major and trace minerals along with vitamins A, D, and E
• Contains ammonium chloride
• No added copper
• Available with lasalocid (Bovatec®) or decoquinate (Deccox)
• Premium texturized quality for more efficient feeding

Feeding rate for BT 11317AM:
Feed lambs 1 to 4 2/3 lb/head/day, depending on body weight.

Feeding rate for DC 80939MPS:
Feed at the rate of 3 lb per 100 lb of body weight daily.

#1 Mineral Supplement 11159AA

A protein fortified mineral supplement for all show ruminant livestock
• 25% crude protein, 1.5% fat
• Properly fortified with Prosponse yeast, vitamins, minerals, and multiple sources of protein for optimal growth
• Non-medicated; processed meal form in 50-lb bag
Top-dress rations for lambs with #1 Mineral Supplement at a rate of 2 oz per 100 lb of body weight/head/day with a minimum consumption of 2 oz/head/day.

MoorMan’s ShowTec Ewe Breeder Feed 11258AB

Complete feed for the breeding herd
• Complete, pelleted grain mix supplying energy, protein, minerals, and vitamins for breeding sheep to attain optimal reproductive efficiency and high milk production; ideal to feed during late gestation and lactation
• No need to purchase, inventory, or add other supplements to the diet
• 14% protein, 4% fat, and 19% fiber max.
• Highly digestible fiber sources supply energy and help ensure healthy rumen function
• Additional features include the inclusion of CitriStim, ammonium chloride, thiamine, molybdenum, and vitamins A, D, and E
• No added copper lessens the risk of copper toxicity in sheep
• 1.5-2 lb per head daily along with good-quality forage

**Fast Fuel™ 11850AAAE6**
- Unique, non-medicated, top-dress supplement containing nutrients believed to be beneficial to performance of exhibition livestock.
- Provides octacosanol from wheat germ
- Contains stabilized rice bran
- Provides natural-source vitamin E, Prospone yeast, methionine, cobalt glucoheptonate, vitamin B12, and thiamine
- Top-dress 4 oz/head/day for show lambs
- Mini-pellet form in 25-lb bag

**RumaFill™ 81080AAAE4**
- A high-fiber (25% fiber) supplement
- Formulated to provide roughage ingredients, such as beet pulp, to create a “full look” and enhance expression
- Use for holding situations when the show lamb’s “full look” and “capacity” needs to be maintained on restricted intake of complete show feed or complete grain mix
- Feed 0.5-2 lb/head/day for show lambs weighing 70 lb or more
- Mini-pellet form in 50-lb bag

**Natural Fit™ 81526AAAE6**
- A non-medicated supplement designed to be used with MoorMan’s ShowTec complete show lamb feeds to give more muscle and dimension and shape especially over the top.
- Contains CitriStim, RumeNext®, and special flavors
- Feed 4-8 oz/head/day to show lambs weighing over 70 lb body weight
- Mini-pellet form in 25-lb bag

**Fast Fuel™ 11850AAAE6**
- A conditioning supplement
- Properly fortified with vitamins and minerals
- 10% crude protein, 5% fat
- Top-dress rations for thin or stressed livestock with Fast Fat at a rate of 8-16 oz per 100 lb body weight per head daily
- Non-medicated
- Mini-pellet form in 50-lb bag

**MoorFat™ 235**
- Energy supplement
- Top-dress 1 oz/100 lb body weight daily
- Liquid in one-gal (12079AAA74) or five-gal (12079AAA7J) containers

**Cellarator® Turbo Paste**
- 3-in-1, fast acting, oral paste that combines the power of Cell Rate with probiotics, electrolytes, and vitamin E
- Helps support performance, helps deter dehydration, and provides nutritional support needed during stress
- Feed as a top-dress or mix with water for a drench; 6 oz/head/day (2 scoops) for show lambs
- Powder form in 2.25-lb canister

**EatMoor™ No. 12346AAA**
- Unique, one-of-a-kind, top-dress supplement that stimulates appetite, optimizes gut health, and provides nutritional support needed during stress
- Supplies Cell Rate, CitriStim, PremiDex™, Amaferm®, PrimaLac®, and other beneficial ingredients
- Top-dress 2-4 oz/head/day for show lambs
- Meal form in 3.75-lb (60-oz) pouch (12346AAAE6), 12-lb pail (12346AAAPF), and 20-kg (44.1-lb) bag (12346AAAAG)

Refer to product labels for complete feeding directions and warning/caution statements.
